Editor's Note:

As always, the annual is dedicated to the people between its covers, the people who comprise our school. But this year's annual was created mindful of the fact that the Class of '75 is the one hundredth class to graduate from Upper Sandusky High. There is something special about every class of students; this year's seniors are proud to have so distinctive a characteristic.

We should like to thank everyone who helped to put this annual together. All the help was appreciated.

We should also like to apologize for any errors or omissions. With two-hundred pages and nearly as many people helping, mistakes are bound to be made. We just hope that they are minor and few.

Like all the previous and future annual staffs, we have tried to make a yearbook which is useful and enjoyable to you. We hope that we have met this goal.

75

100 Years of Graduating Classes

Since the annual theme this year is based on the one hundredth graduating class, we the staff, decided to introduce our book with some old pictures we've found through the help of Mr. Ray Gottfried, Mr. John Constien, and Mrs. Molly Gamber, to show you, the reader, some of the differences in school the years have brought.

We hope this is an enjoyable way to begin the annual for you, without further delay . . . we present the U.S.H.S. 1974-1975 Indian Village Annual.

Seniors

Our best dressed classmates are Wes Steiner and Barb Rowe.

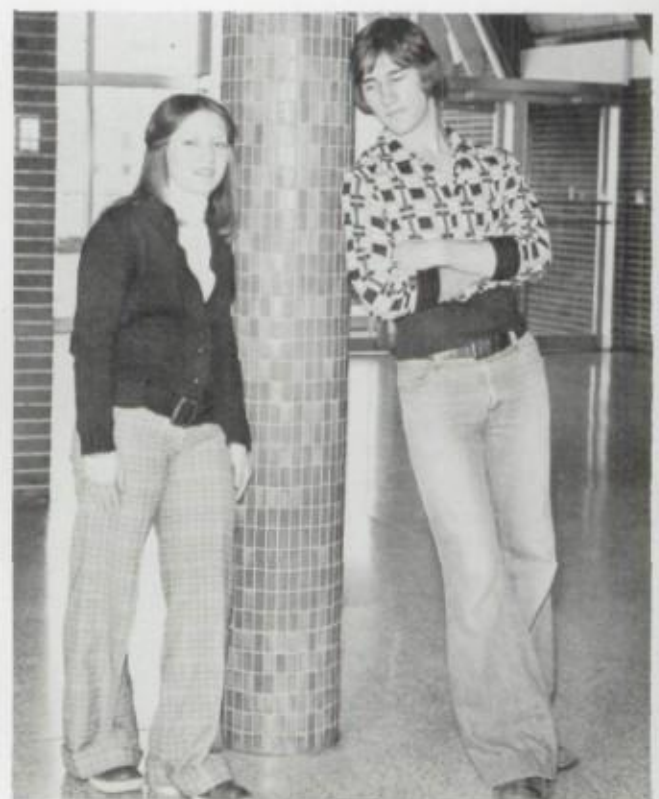

Steve Swartz and Carolyn Reid are the two most likely to succeed.

Because of their extreme friendliness, Ed Frantz and LeAnne Sloat are our class flirts.

Denny Miller and Darla Honsberger were quietly voted the most bashful.

The most attractive girl is Barb Rowe joined by the most appealing boy, Ron Derr.

The class clowns appear as Cindy Williams and John Gamber.

Showing their talents as the class artists are Yvonne Gottfried and Bob Latham.

Who's Who

Betsy Smith and Dan Smith have the most school pep and spirit!

The friendliest people in our class consist of Jacques Ramey and Karen Clements.

Showing their great strength are Randy Beidelschies and Roxie Karg, the most athletic in our class.

Pam Micheli and Tom Pagnard pose as the cutest couple in our class.

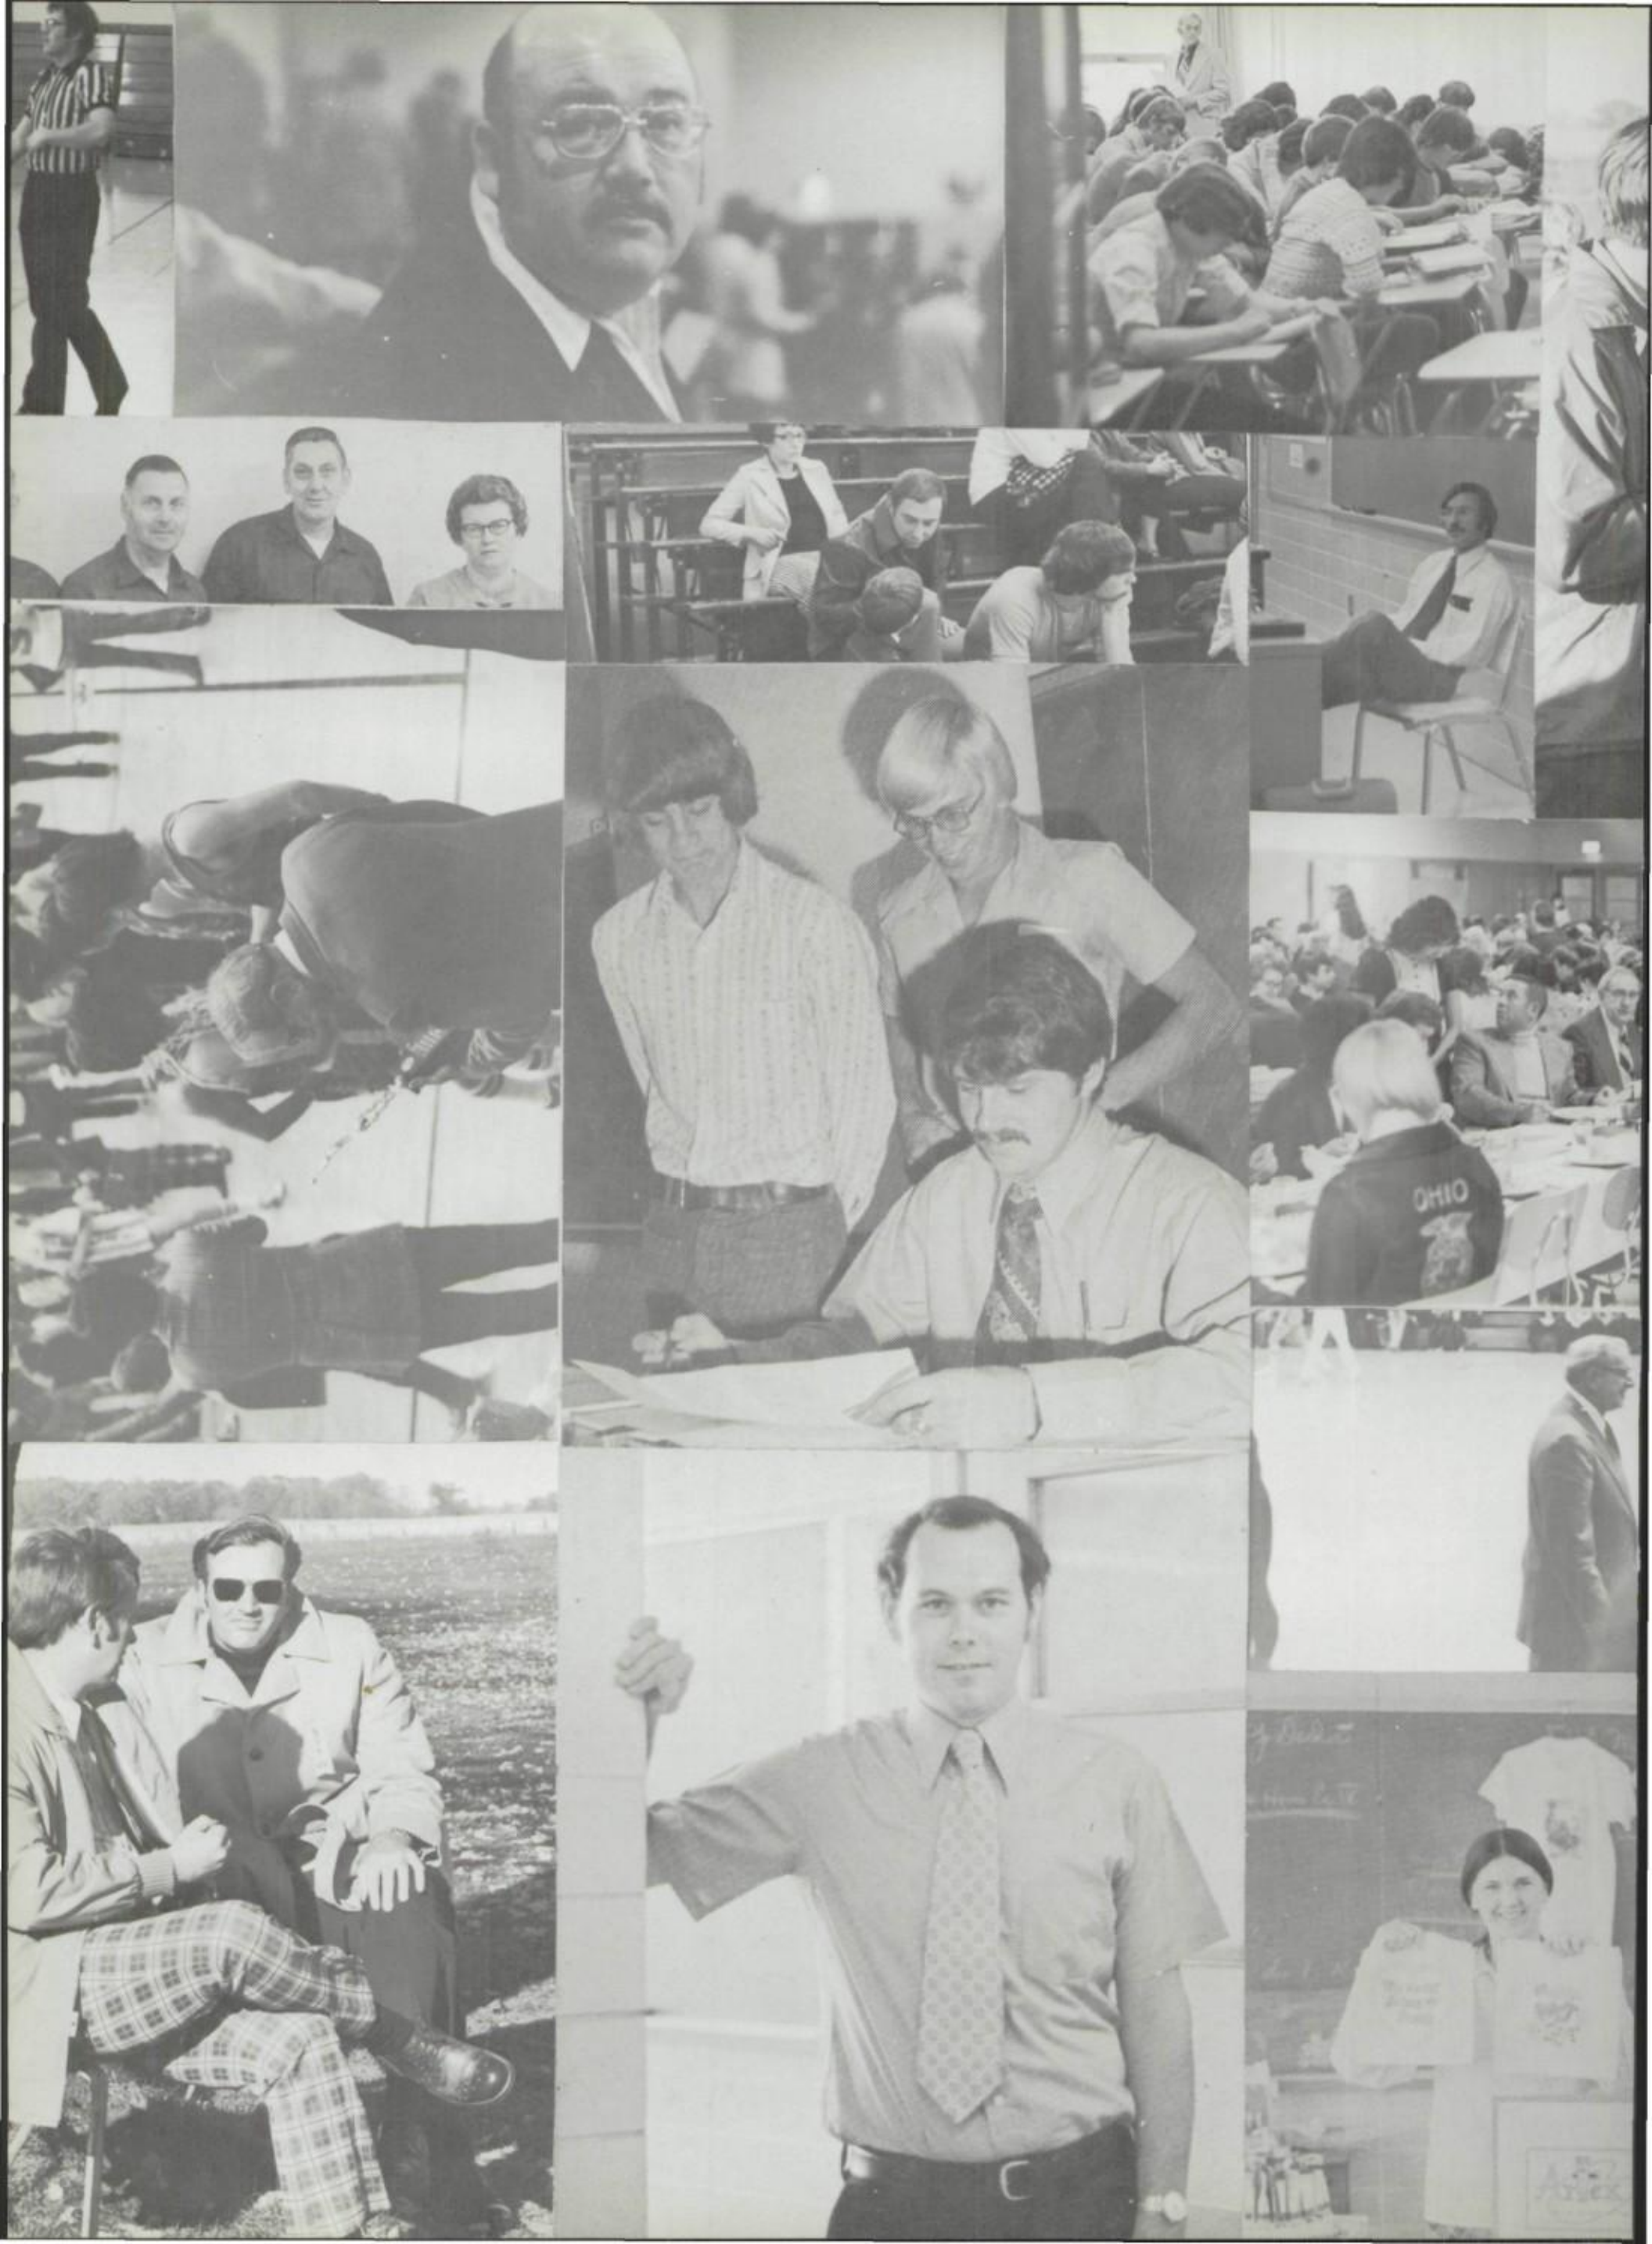

Because of their endless brain power, Ruth Ann McKeegan and Steve Swartz are the class geniuses.

Ron Derr and Karen Clements were chosen as the most popular of our class because of their great dispositions.

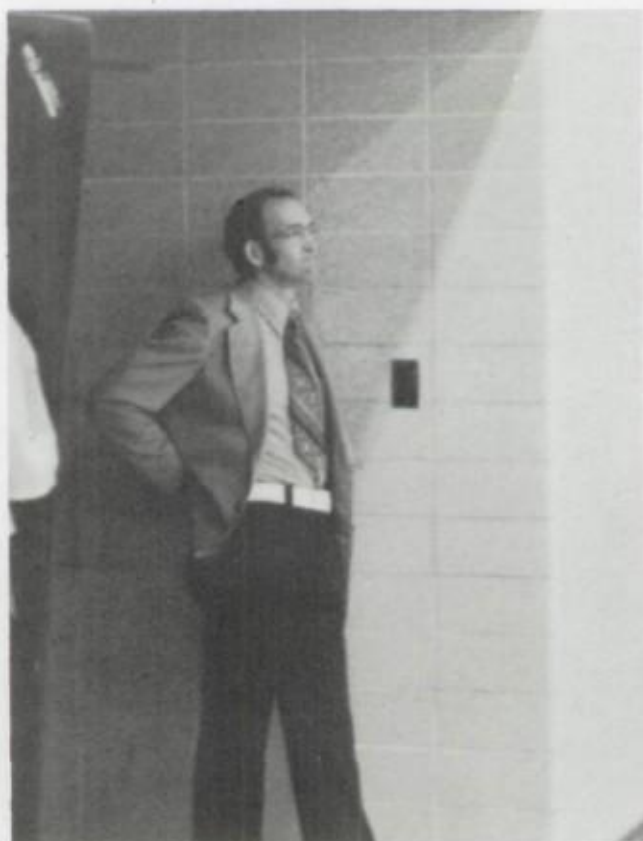

Cindy Williams talked her way into the position of class chatterbox!

Being discouraged by losing the first three games by a total of four points, the Rams bounced back for a Homecoming victory over Bucyrus and a Band Night victory over Galion which enabled Upper to tie for fifth place in the N.O.L., their highest finish in years.

Two juniors were honored by being named All N.O.L. while three seniors were named honorable mention. Safety Ralph Young and center Kurt Kimmel made First Team N.O.L. while linebacker Wes Steiner, defensive end Steve Warner, and defensive tackle Troy Richey earned honorable mention for their performances. Tri-captains Dave Beidelschies, Phil Wilson, and Ted Barth provided the leadership for the 1974-75 Fighting Rams.

The 1975 Rams completed their most successful baseball season since 1972 with an 8-6 league record and a 9-8 record overall. Upper finished in second place in the NOL after occupying the NOL basement the last two years. The Rams, who won five of their last six games, defeated every NOL team except Bellevue at least once. With only three seniors — Flavel Heyman, Mike Horn and Dave Wolfe on the team, the Rams could be strong contenders for the NOL championship next year.

It was a young Ram squad that took to the hardwood this season. After a hard fought victory over season opener, Colonel Crawford, victory eluded more often than it struck. Injuries, inexperience, and a very tough N.O.L. made it a rough season as the Rams ended up with a 5-15 record. However, many close games made this season a very exciting one. Climaxing this exciting season was a upset victory over a strong Tiffin Columbian squad on Senior Night, the last home game. The Rams put it together in Tourney play to make it to the sectional finals for the 6th time in the last seven years. However, the sectional trophy went to the Shelby Whippets as they edged the Rams in overtime.

Prospects look very bright for the Rams next year with nine returnees from this years Varsity combined with many fine players from a winning Reserve Squad.

The Junior Varsity Basketball team made a respectable showing as they finished with an overall record of 10-8. However, the Reserves placed 3rd in the N.O.L. with a strong 9-5 record. The experience gained by the well-balanced squad should prove valuable for their future varsity days.

The 1975 Season saw the beginning of Northern Ohio League competition for girls. In their first year of league competition, Upper Sandusky's girl's basketball teams (varsity and junior varsity) each compiled 6-1 league records and 11-1 records overall.

Upper Sandusky's varsity ended its league play by defeating their co-rival, Shelby, who was previously undefeated, for a share of the league title. Upper averaged 50 points per game while giving up an average of 29 points to their opponents.

Our junior varsity dropped a three-point decision to Galion to settle for a very respectable second place against league competition. The J.V. team was composed primarily of sophomores with very little experience.

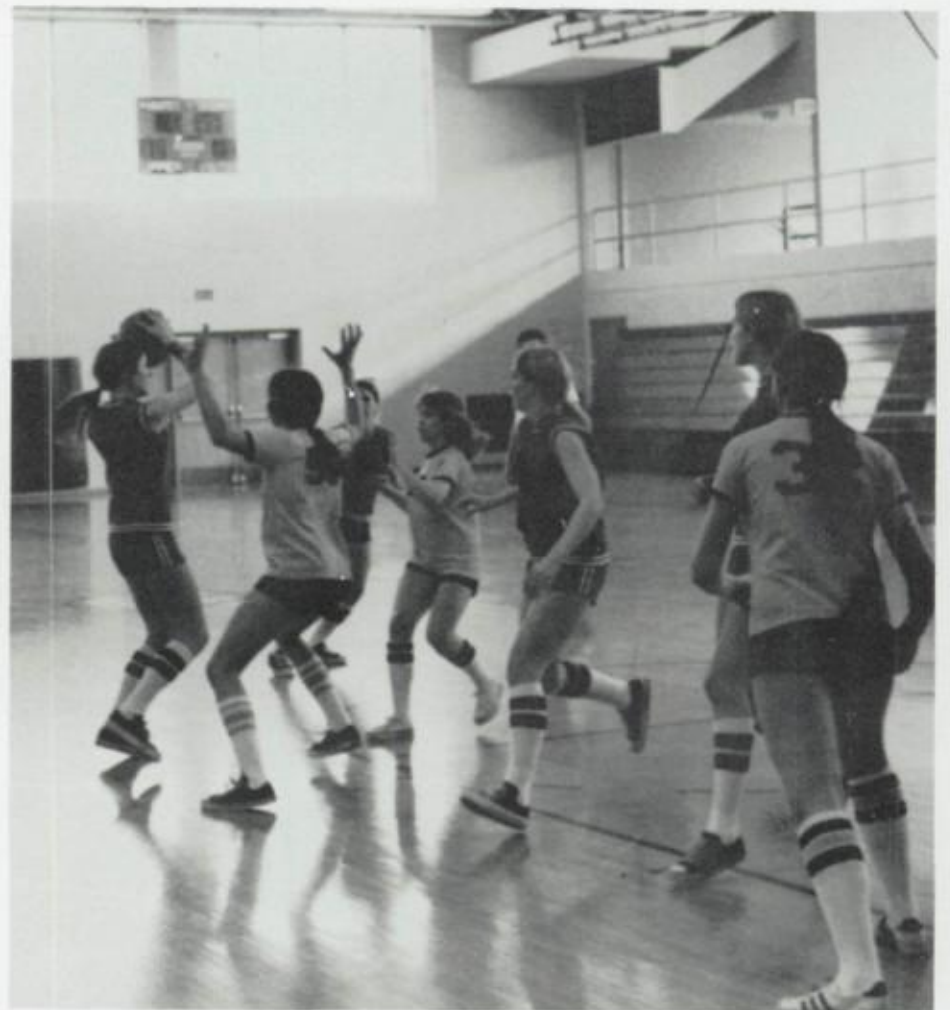

Seven of the varsity team members are seniors and four of those seven were starters. But a strong sophomore effort gives us aspiration of a very successful season again next year.

Gary Veith — Mohawk, N.O.L., Sectional

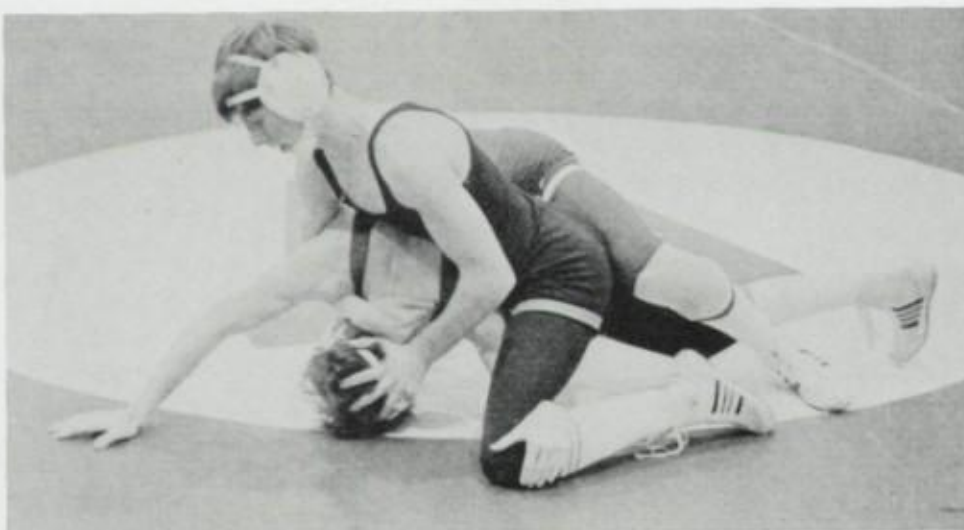

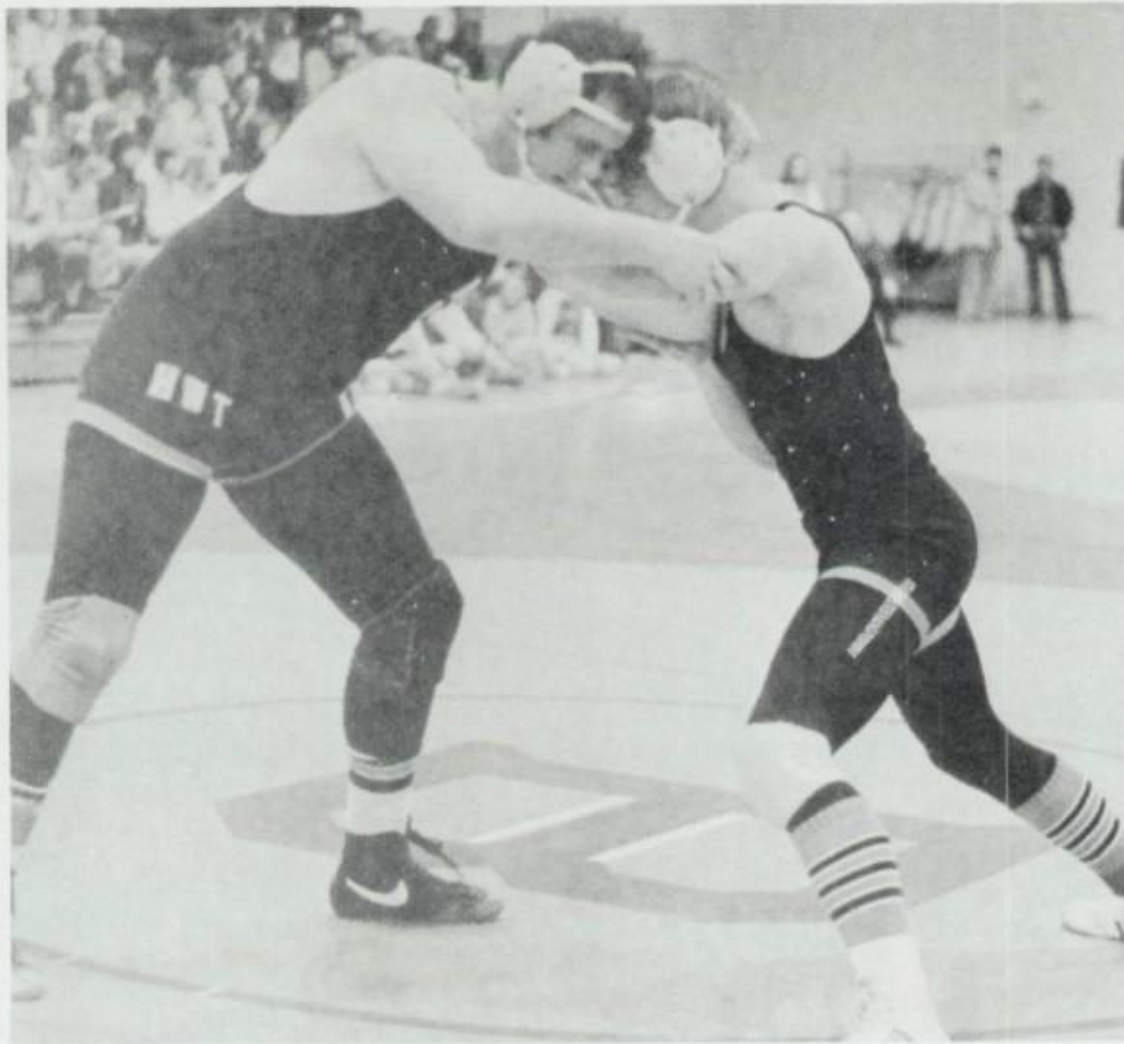

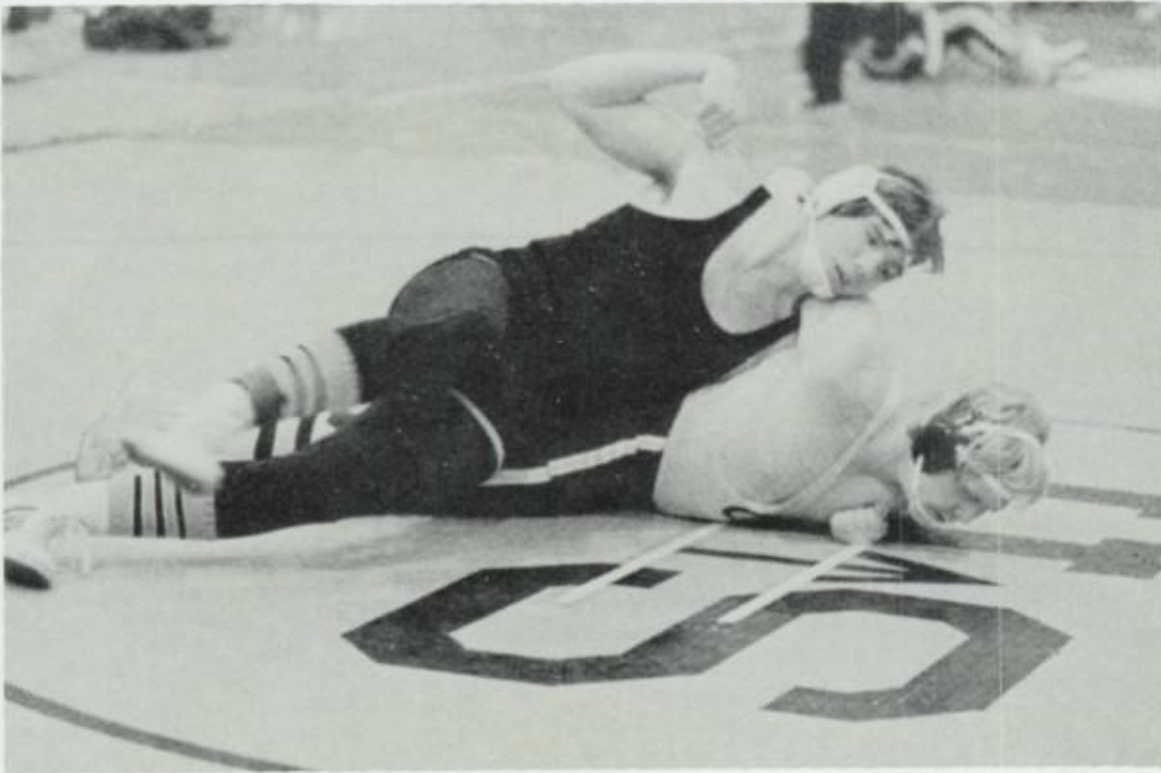

The 1974-75 Wrestling squad finished its finest season ever with a 6-3 record. Under the direction of Head Coach Jim Hughes and Assistant Coach Tom DeBarr, the Rams had their highest placement in the Sectional Tournament since the beginning of the Wrestling program six years ago as they took fourth place out of fourteen teams.

Awards at the Winter Sports Banquet went to Mark Steward for Mat Brother, Gary Veith for the Best Senior Record, Bill Sanderson and Dan Courtad for Best Underclassmen Record, and Kevin Clements for the Knights of Columbus Sportsmanship Award.

With many experienced underclassmen returning and the beginning of a Jr. High Wrestling program, the future looks very bright for Ram Wrestling.

In it's 3rd year of existence, the tennis team managed a 4-10 record in the N.O.L. and a 4-11 season record under new Head Coach Mr. Tom Needs. With only one senior, Joe Giacalone who became the first tennis player to advance to the District tournament in Upper's short Tennis history. The tennis team should be solid for the next few years.

The young team finished with a record of 12-5-1 overall and a 8-5-1 record in the league for a 4th place finish in the N.O.L. Upper finished in a tie for 3rd place in the Sectional Tournament 2nd lost not only a sudden death play-off to Oak Harbor, but also a trip to the District Tournament. Losing just one regular varsity golfer, the golf team should again be a league contender next year.

The 1975 Track season got off to a slow start, but the new facilities began to pay off towards the end. Led by senior Co-Captains Dave Beidelschies and Phil Herring the Rams lost a couple of close ones and finished the season with a 5-7 dual and tri-meet record. Distance seemed to be their strong point, with Herring going undefeated in the mile and 880 during the regular season and establishing two new school records in the mile and two mile. The team will be losing 9 seniors but should still have a strong nucleus for a successful season next year.

The 1975 Girl's Track Team finished another very successful season by retiring league champions from the first annual Northern Ohio League Meet for girls. Upper was not considered a strong league contender after losing to two N.O.L. schools in dual meet competition, but determination, poise, and a total "team" effort boosted the Rams to an 8 point winning margin over a strong Tiffin team.

Individual league championships went to Roxie Karg in both shot put and discus, Ruth DeBolt in high jump and long jump, and Janet Porter in the hurdles. These three ladies now hold not only school records in each of their respective events, but Northern Ohio League records as well.

1975 was also the first year for the Ohio High School Athletic Association to sponsor state level track competition for girls. In the sectional meet at Ashland, Upper Sandusky finished second in a field of 16 teams, sending persons to district competition in 7 events. (Roxie Karg — shot put and discus, Ruth DeBolt — long jump and high jump, Janet Porter — hurdles, and Sharlene Treadway in the mile run.)

In the district meet at Bowling Green, qualifiers to state competition were Roxie Karg — shot put and discus, (District Discus Champ) and Ruth DeBolt in the long jump.

The National Honor Society is a distinguished organization into which only those Juniors and Seniors who have proven themselves as worthy students are inducted. The students do this in other ways than just grades, although grades are of major importance.

One other way is the students willingness which is judged in various ways. For instance, the students must have shown the following:

- (1) Willingness to render any service to the school when called upon.
- (2) Willingness to do committee or staff work.
- (3) Readiness to show courtesy by assisting teachers, visitors and students.
- (4) Willingness to represent the school in inter-class and inter-school competition.
- (5) Willingness to render service to school and community.

Another of these ways is the students leadership abilities. The students are judged on the following:

- (1) Demonstrate leadership in the classroom
- (2) Demonstrate leadership in promoting school activities.
- (3) Successfully hold school office or positions of responsibility.
- (4) Contribute ideas which improve the civic life of the school.
- (5) Exert types of leadership which directly influence others for good relationships.

The last of these ways is the students; character. The students must be the following:

- (1) Meet individual pledges and responsibilities promptly to school and teacher.
- (2) Demonstrate the highest standard of attitudes toward honesty and reliability.
- (3) Constantly demonstrate desirable qualities of personality (Cheerfulness, friendliness, neatness, poise, stability)
- (4) Cooperate by complying with school regulations.
- (5) Uphold principles of morality and ethics.

The students who are inducted are permanent members of National Honor Society which operates as most clubs do. The members elect officers, consisting of a president, vice-president and a secretary-treasurer. Our chapter sponsors a dance after a home basketball game as a money raising project.

The money made is then used only by the senior members. In past years they have attended stage plays or movies. This year the senior members used their money to view a play called "A Funny Thing Happened on the Way to the Forum" which was presented at the Ohio Northern University.

A Once in a Lifetime Experience

Remember the hard practice it took for our Swanee river boat to look like a boat?

On August 10, 1974, the Upper Sandusky Marching Ram Band performed before 34,000 people at River Front Stadium for the exhibition game between the Cincinnati Bengals and the Philadelphia Eagles. It was an experience that won't soon be forgotten. All those long hours of practice were worth the effort.

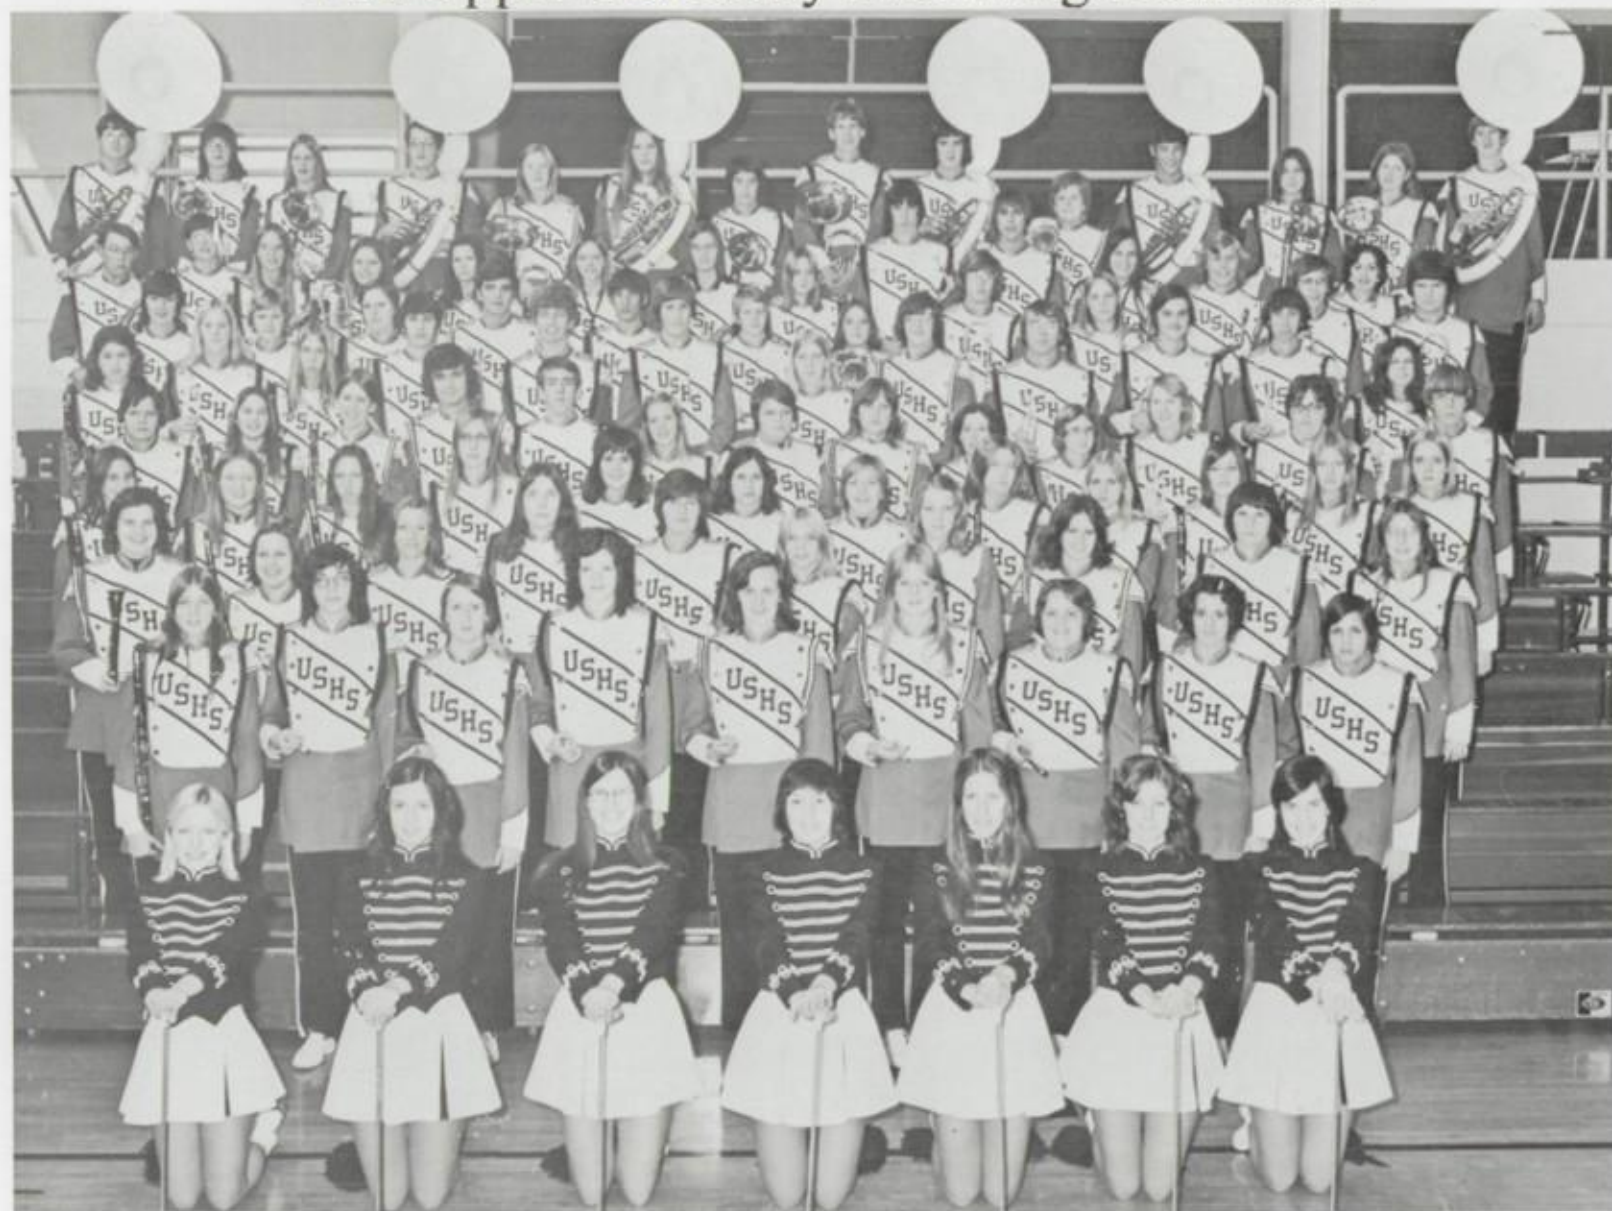

Relax, Mac, it's almost over.

Some nice smiles after a job well done.

I Sing

For the first time in USHS history, a fourth performance of the musical was given. This performance of the musical "Of Thee I Sing" was given by popular demand. The musical dealt with the presidential election of John P. Wintergreen. In order to find Wintergreen a bride, a beauty contest was held, but when he married his secretary instead of the winner, diplomatic controversies arose. In the end the Vice-President married the winner, thus preserving the peace of the world.

Lee Thiel lends a hand out at Rife's barn.

Aaron Frey, hard at work.

The sign was a major project for the Entrance.

Finishing touches.

Tim Rife's dog barked out the orders.

Smile!

The Hall Committee, busy as bees.

The dancing girls were the masterpiece of Janice Gatchel.

Janice Gatchel and Kathi Okluk stayed busy on the day of the prom.

Entertainment''

"You've said it all."

The commons, almost finished for that nights busy theater lobby.

The courtyard being reproduced into a "State Fair."

"Life is a Cabaret old chum. Come to the Cabaret."

The hall reflects the romance of the night.

The cafeteria, fit for a "Million Dollar Mermaid."

A Night of Entertainment

The clown with his pants falling down, Or the dance that's a dream of romance Or the scene where the villain is mean, That's Entertainment!

This year the juniors, lead by Kathy Morrison and Steve Hilderbrand, came up with a very "Entertaining" prom. They all worked hard and didn't let a few painted hands get in their way.

They had a special problem this year which was, not being able to use the fairgrounds for building, painting, and the usual projects which go with a prom. Therefore, Mr. Gene Rife graciously allowed the juniors to borrow his barn for a few weeks.

Closer came the prom until finally the great day had arrived. It was the best day for the juniors, but the hairiest for the Chairmen. As always, everything fell together and good old U.S.H.S. was transformed from a high school, to a fun-filled night of entertainment.

Everything went well that night except the rock band fowled up their schedule and was unable to show.

So, think back well on the 1975 prom. A night of glitter, romance, dance, nostalgia, and remember . . . "That's Entertainment."

1975 Shakespeare Banquet

Mrs. Spitler and Miss Ford enjoy themselves.

Denny Lehman opens the evening with a bang!

A grape . . . Steve?

Becci Gerber kept busy fanning her master.

It's a good thing they had plenty of food!!!

May 9 was the date of the Annual Shakespearean Banquet. Roman and English men and women gathered on the green. Roast pig and other elegant foods were devoured along with apple cider and chilled drink from the vines. The evening was entertaining with singing, acting, wrestling, juggling, and most of all various costumes worn by the guests.

This year the senior class presented "One Foot In Heaven," the story of a preacher's family which moves into a broken-down, small town parsonage. The play deals with the problems that the family faces to unify the congregation and build a new parsonage and church. The activities of the children give the play a light, humorous atmosphere.

“One Foot in Heaven”

“I eat right, exercise and take Geritol, and I love me for it.”

“Mark Eden’ works wonders!”

“One more wise crack about my socks and I’ll bust you one!”

Boys, I think it's time you learned that babies don't come from cabbage patches.

My, how time flies when your having fun!!!

This year's Jr. class play was built around a high school athletic coach, "Sam Pennywinner," and his family. It dealt with the many problems a coach encounters when coaching. Public pressure, neglecting his wife, and always promoting exercise and sports to his children were "Sam's" main hang-ups. The play takes place during a losing football season and ends with Sam's daughter, "Peggy," saving the day.

The play was a success and everyone had fun doing the play.

They Run in Our Family

But Mom, you don't hit a basketball with a golf club.

Let's see, is this the front or the back?

Now, be sure you have her home by 10:00 p.m.

But dear, you've just got to let me coach the big game!!!

The 1974-75 Student Council has continued to try to make school more enjoyable for the students.

They brought about the a la carte line, which made it possible for the students to buy extra food such as Hostess cup cakes, potato chips, and fruit pies.

They also took on their annual tasks of Homecoming, the spring sock hop, and a door decorating contest.

Student Involvement in Local Government

This year under the direction of Mr. Baker and Mr. Scherger, students got involved and learned. By the regular election process of campaigning and holding a primary and general election run by the Senior Class Board of Elections, students were elected by the citizens of the Senior Class. Then on May 5, 1975, they and their appointees went to "their" city or county offices to spend the day. Through the cooperation of everyone involved, the day was very enjoyable and educational.

The Orange & Black serves as a basis of communication between the school and the community. Presenting both the serious and the lighter sides of school life, it is a means of informing the readers regarding class work, activities, and other interests of the students and teachers at U.S.H.S.

It also provides practical experience for the students in the journalism course and in the office practice classes, which type the material. Being published weekly by the local Daily Chief Union, the Orange & Black gives the members of the staff the opportunity to work directly with people who are trained and experienced in the field of journalism. By working on the Orange & Black, students really "learn by doing".

Serving the community, the students, and the staff members, the paper is a worthwhile means of communication through one of the leading forms of the mass media.

Dr. Brown's Patent Baby-Tender.

This article of Nursery Furniture is different from, superior to, and supplies the place of everything heretofore used for that purpose. It combines, by simple changes, which may be instantly made, a SAFE, COMFORTABLE SLEEPING CRIB, A DELIGHTFUL BABY-JENNY, A HOBBY-HORSE, NURSERY DUNING AND ROCKING-CHAIR, A SWING, A STYLISH CARRIAGE AND PERAMBULATOR, A PLAY AND WORK STAND. It is suspended from the ceiling, or a graceful standard, by a steel spring; is cushioned so as to require no bedding, and is tastefully trimmed in various styles, at prices ranging from \$5 to \$25. Sent by express everywhere.

It will save in washing, in bringing up one child, more than its cost, and much of the time and attention of mother and nurse.

It gives the child entire freedom of action for body and limbs, insures a healthy action of the stomach and bowels, promotes and strengthens the natural motion and development of the system, preserving it from injury or the possibility of danger.

It is compact, strong, and durable, and to those having the care of infants it is indispensable.

N. B.—The exercise obtained by our nursery children in one of your baby-tenders very much aids in their proper physical development, and enables us to dispense with the services of one assistant nurse.—(Matron of the Home for the Friendless.)
